***LEGACY OPEN DAY
SPONSORSHIP FORM***

MONDAY, 4th APRIL, 2011

***Supported by and played at
ROYAL CANBERRA GOLF CLUB***

I would like to invite you or your company/ organisation to consider sponsorship for the LEGACY OPEN DAY, to be held at Royal Canberra Golf Club on Monday 4th April, 2011. Your support would be greatly appreciated by Canberra Legacy.

The long-standing association between Legacy and Royal Canberra has existed since World War II. The event commenced originally as club competition for male players only but was expanded into a mixed open day in the 1980's and now draws up to 120 participants. This is a major fund raising event for our organisation and your support will assure the financial success which we need to carry on our work. We have enclosed a brochure setting out the objectives of Legacy.

Detailed hereunder are two sponsorship "packages" for your consideration:

- A: Advertising signage rights to one hole as well as entry into the event for one playing group (i.e. four players) - cost \$450 a taxation invoice will be issued.
- B: Advertising signage rights to two holes as well as entry into the event for two playing groups (i.e. eight players) - cost \$800 a taxation invoice will be issued.
- C: Lunch will be provided for all entrants and will be followed by a presentation of prizes. Sponsors will be acknowledged at this gathering and will be listed on the information leaflet handed to all players on registration, prior to the shotgun start. Sponsor signage can also be displayed on the tee or around the green of your designated hole.

If you have any questions or would like to propose an alternative package, please contact me or leave a message with the Administrative Officer at Legacy House on 6285 1800.

If your company/organisation is interested in being a sponsor for the Legacy Open Day, please complete and fax/post the attached form to me at the address shown. We will then contact you to finalise arrangements.

Thanking you in anticipation for your support,

Yours sincerely

Kerry Clarke, AO
